Alganon is an Fantasy based, Role Playing MMO Game featuring a rich history dominated by commanding deities.

„ Alganon is a Free To Play fantasy-based MMORPG that allows thousands of people to play together in a virtual world that features a rich history dominated by commanding deities, powerful weapons and armor, deadly magic, epic quests, ancient places to discover, cities and lands to conquer, the utilization of detailed tradeskills, and more.

The world of Alganon has a rich multi-cultural background and history that spans thousands of years. Grand cities, dark ruins deep in the most dangerous parts of the world - it all ties together in some fashion, and all of it has a purpose, a history, or a legend. Some of this history is been documented in the library, but much of it must be discovered.

Each faction has a full array of quests and adventures to advance characters through the levels in a fun and logical progression. Players can adventure alone or group with friends and allies. By the time your character reaches level 50, you'll have seen much of the world and understand the rich mythology and lore in the world of Alganon.

Alganon has a fully immersive world PvP system at its roots. The Kujix and the Asharr are locked in a constant struggle for world domination. Throughout the world are scattered a system of defenses, namely Towers and Keeps, which when controlled by one faction provide benefits to all the faction's players in the zone. Once a single faction controls all the Keeps in the world they may attack the opposing capitol city, and attempt to kill the leader for epic rewards.

The PvP system is complete with player controlled Siege Weaponry, and offensive and defensive items such as Satchel Charges and Boiling Oil to allow robust attack and defense of world control structures. PvP Studies are available to improve a character in these areas and even provide benefits to friendly Towers and Keeps. Every player can have a direct impact on the status of world control. „
