Armor Blitz is a Free-to-play Android, Role-Playing RPG, Anime Tank Girls, Multiplayer Game featuring anime art style, with a unique theme of anthropomorphic tank characters.

Armor Blitz features the anime art style, with a unique theme of anthropomorphic tank characters. Each character represents a historical World War era military tank, in the form of a human girl. It boasts a distinctive mixture of RPG elements, Collectible Card mechanics, and Real-time Strategy. Inspiration for the design was drawn from popular overseas titles like Kantai Collection, which are not available in the West.
