- Mystery meets Match-3! Puzzle games reveal more island mysteries for you to solve.

### Match-3 Games and Puzzles

- Match-3 levels provide hundreds of challenging and exciting games.

- Matching games merge pieces to create a variety of zany power-ups, like the heat-seeking chicken bomb!

- Merge any two power-ups to make game-changing bonus powers with "Fusions!"

### Building Gameplay - Make an Island Animal Paradise

- Customization lets you build, paint and style your buildings and garden your way!

- Decorate your tropical home and landscape the island to your style.

- Not a zoo as city building elements allow you to create a custom seaside area to share with your new animal friends.
