- COOPERATE - An organized team is unbeatable, seek brotherhood in our social community, gather them up to form a well trained warlord team and attack strongholds and castles with skilled military tactics.

- FIGHT - Extend the border of your kingdom, you will need to defend your castle or burn down the intruders. A vast battle field area supports large-scale troops to fight, many epic wars led to torrents of blood.

- ALLY - Prove yourself a strong leader and show loyalty to your clan. Take care of each other with resource transportation, research your alliance technology, and start a rally attack on your rival alliance and enjoy the rich spoils .
