

The first true Action MMORPG, hi-Octane Excitement: *Champions Online: Free for All* delivers furious, fast-paced encounters previously reserved for action and fighting games. No more boring auto attacks and lengthy recharge times.

Champions Online: Free for All combat is instantaneous — and electrifying!

Brains Required:

Every enemy and super-powered threat in *Champions Online: Free for All* has its own unique abilities and combat specialties. Use your head — or wind up dead.

Bring Friends, Make Friends:

The *Champions* universe is jam-packed with thousands of heroes, facing thousands of threats. Join up with other heroes, create your own superteam, and prepare to take on the ultimate threats!

Be the Hero you want to be- **Total Customization:** Choose from thousands of different costume pieces, colors and body types to create your character's one-of-a-kind costume and look. There are billions of possible combinations, and in a universe brimming with the fantastic and the unforgettable, you can still be completely unique! There are a multitude of astonishing powers to choose from in *Champions Online: Free for All*, and its flexible character creation system gives you total control over your hero's abilities. You can even pick the appearance of your powers. Do you want purple force fields? Green fire blasts? Jet black claws? In *Champions Online: Free for All*, you decide! Every hero must have an archenemy. In *Champions Online: Free for All*, you design your character's supreme adversary, choosing a name, powers and costume for a superpowered foe to bedevil your hero throughout his or her career. Vanquish evil and your successes will be rewarded with costume pieces to enhance your powers and abilities. Then customize the appearance of those rewards to *your* vision of your hero's look and abilities!
