Dungeonland is a Free to play, co-operative Action Hack and slash game.

Dungeonland is a co-operative hack and slash game that takes players on a deadly tour through a medieval theme park. Playing as The Rogue, The Warrior or The Mage, the heroes will need to work together as a team to get past the evil overseer of this “Tragic Kingdom” – The Dungeon Maestro. The truly diabolical can even take on the role of the Dungeon Maestro himself and wreak havoc on friends. Unleash the killer rabbits, drop some exploding frogs in their path, or whip up a giant fan and blow them all away.

### Key Features:

- Strategic Co-op Gameplay: Utilize each character’s unique skills and weapons, combine their special powers to form all new attacks, or just plain hack and slash your way through this treacherous theme park

- Competitive Multiplayer: Play as the Dungeon Maestro himself and unleash evil on your friends. Summon your minion to thwart the heroes, conjure spells or take control of a boss monster and get in the action yourself. Then push the Evil Laugh button and let your sinister cackle reverberate throughout the land

- Replayability: The DM AI randomizes monsters, treasures, and dangers each session to create a unique experience; player choice in equipping items creates endless combinations for more variety
