Ultimate Fury Skills are the most powerful skills a player can learn. You can only use Ultimate Fury Skills in Fury Formation, and they consume 300 Skill Stones and MP. Fury Formation allows you to use various abilities for 30 seconds, including Super Armor, Increased Movement Speed, Increased Attack Speed, and Increased Attack Power. Certain artisan foods and the Aura of Fury can also fill your Fury Gauge. You can learn Fury Formation through upgrades, but you cannot use it in Arenas.”
