Battlerite is a Free to play, Action Arena Brawler, Multiplayer Game featuring unique combination of top-down shooter and fast-paced fighting game .

Battlerite is a PvP arena brawler and the spiritual successor to the critically acclaimed Bloodline Champions. Experience the unique combination of a top-down shooter meeting a fast-paced fighting game and take part in highly competitive, adrenaline-fueled 2v2 and 3v3 battles.

Engage in quick and intense action as you take control over one of many Champions, each with unique abilities to master. Welcome to a world where Champions dedicate their lives to the Arena.

Control one out of 21 champions that specialise in either melee, support or ranged combat, from Bakko, the heroic brawler, Jade, the long-range gunner, to Blossom, the ultimate team support. It's all about skill-shots, timing and reactions as you dodge projectiles and pull off massive ultimate attacks using intuitive WASD movement and cursor-based aiming. Team up with friends, smash in style and triumph over the competition.
