FC Manager (FCManager) is a Free-to-play Online, Sports Management Football MMO Game for the PC.

FC Manager is a casual game made for hardcore football fans. From the very beginning, players are thrust neck deep into the responsibilities of a football manager. In order to form a club, managers are tasked with recruiting and training players, setting up strategies that play to the team's strengths and employing tactics best used against competition, all for the goal of becoming the best club in the world.

Recruit over 5000 players based on real live star players and pit them against other clubs in local competitions with other managers. Experience the Coupe de France, compete in the Latin Cup, the Euro Shield, the Dutch beker and at the height of FC clubs, the Copa Estrellas tournament.
