{gallery width=500 height=300 alignment=center slider=boxplus.transition animation=3000}MMO/Sports/MLB_Dugout_Heroes{/gallery}

Gameplay is kept extremely simple for the younger crowd. Everything is controlled with your mouse and keyboard. Base running and throwing to a base is done with the keyboard and batting and pitching are done with the mouse. Your targeting reticule shrinks by more than half when going for power and hitting then becomes more of a guessing game than anything else.

When you get down to it, it's just a free-spirited, fun game of baseball.
