Blood Bowl Star Coach is a Free to play , Sport, American football, Fantasy, MMO Game.

Based on Games Workshop's fantasy football game world, Blood Bowl : Star Coach is a tactical multiplayer team-building game. Dwarfs, elves, humans, and other foul creatures are back and, once more, they are determined to grind each other into the turf. Blood Bowl : Star Coach is free-to-play available on PC, Mac, iPad and Android tablets.

Star Coach tasks the player with creating their own Blood Bowl team (choosing from different races and players) and the development of their own offensive and defensive playbook. The player will then challenge other coaches, no matter which digital platform they play on, and choose the strategy that best fits his opponent. A 'Cabalvision' replay mode allows players to live out the blow-by-blow contest in full 3D!

The basics of this violent sport are simple: two teams, one ball. The team that carries the ball into the opponent's end zone scores a touchdown, and the team with the most touchdowns at the end of the game is the winner. Coaches can develop their teams in a variety of different ways and have the opportunity to improve their teams by hiring Star Players.
