---

Arena 7 is a Free to Play , Role-Playing MMO Browser Game featuring turn-based combat.

In Arena 7 you manage a team of gladiators in a world of Sword & Sorcery. You hire gladiators and equip them with weapons, armors and spells. Then you command them in turn-based combat! You can also let AI handle the fighting if you are more interested of management aspect. The rules of the battle are simple: the team that has the last man (or woman, or beast) standing is the winner of the match.

There are various different gladiator classes, for example wise Wizards, agile Hobbits and strong Minotaurs. Gladiators have a set of weapon and magic skills that improve by combat experience. So careful planning is required in order to develop a team that can win the prestigious League Championship!
