Berserk [The Cataclysm] is a Free to play Browser-Based [BB] MMO Collectible Card Game [CCG] featuring, exclusive automated battle system.

In Berserk [The Cataclysm] players have to demonstrate their strategic skills by creating their own squads, Berserk's very own card decks. The game takes place in the fantasy world of Laar, a universe destroyed by the Darkness in which there are limited resources, and outrageous beings dwell the lands. The fight for survival is a continuous battle for the few remaining territories of Laar: only those Ungar sorcerers who manage to raise their lands towards heaven and create a floating island will survive.

Its exclusive automated battle system has lead it to become one of the most successful online trading card games due to its complexity and meta game, which includes clan wars and territory control thought warfare and PvP.
