BigHead BASH is a Free to Play, Action deathmatch Shooter MMO Game with vinyl collectable toys and insane weapons.

"Big Head Bash - Blazing guns! Huge explosions! Fast action. Bobble heads?! Set in a world of vinyl collectible toys and insane weapons, Big Head Bash offers a huge selection of selectable characters and gameplay environments. Do you have what it takes to handle this amount of beautifully-rendered explosive action?"

Fast-paced action reminiscent of old-school deathmatch games like DOOM and Quake - quick movement, fast kills and satisfying explosions - but presented in 2D-side-on style. Shotguns, flame throwers, rocket launchers and chainsaws plus a wide variety of other unique weapons like Lava Guns and Pepper Grinders (from Alice: Madness Returns).

Multiplayer, co-op, team and capture modes of game play for matches of up to 8v8 with new modes being added regularly. Virtual toy store featuring content from your favorite comics, games, bands and brands. So far we've launched toys from "Alice: Madness Returns"; a game designer pack featuring John Romero, Tim Schafer and Will Wright; weapons from Wicked Lasers; tons more on the way in the coming months."
