Victory: The Age of Racing a free to play MMO Racing Game published by Gamersfirst.com and created by VaeVictis, announce the launch of Closed beta.

Victory Closed Beta - It's time!

“We've just released the first round of beta invites for the Victory Closed Beta! Be sure to check your registered mail inbox, and be sure the mail didn't find its way into your Spam folder!

If you've received a key with download link, we look forward to racing alongside you and testing the game! If you haven't yet received your key, don't worry - we have plenty more keys to distribute and we'll be adding in players steadily!”

See you on the track!
