Has been announced today the registrations for closed beta stage of the game *Dino Storm* and starting from now you can apply for a beta key.

Dino Storm is a Free 3D Multiplayer Online Game with Dinosaurs and laser guns. Fame and fortune await brave adventurers in the free 3D multiplayer Dino Storm. With just a few dollars in your pocket, a little ammunition, a loaded laser cannon, and your small dinosaur, you make your way to DinoVille. Face down gigantic herds of dinosaurs and merciless robber bands and start your thrilling search for valuable items. Set up supply camps, outposts, and goldmines, defend them against other players, and earn fame and respect. Only the best will manage to rise to become the sheriff of the town. [OFFICIAL SITE](#)
