Neverwinter is a Massively Multiplayer Online RPG based on the acclaimed Dungeons & Dragons fantasy roleplaying game and it is scheduled to be released in the 4th Quarter of 2012.

Neverwinter will be a free-to-play game. There will be no cost for the client, and no subscription fee will be required. Players will be able to shape and add to the world of Neverwinter by creating and building their own adventures or full-fledged campaigns from the ground up using The Foundry for Neverwinter. The Foundry for Neverwinter is your chance to craft the world of Neverwinter your way. A robust and powerful toolset, you can use The Foundry for Neverwinter to create and build new adventures and campaigns to share with your friends and the entire Neverwinter community.

Neverwinter is based on the acclaimed Dungeons & Dragons fantasy roleplaying game. Epic stories, strategic gameplay and classic roleplaying await those heroes courageous enough to enter the fantastic world of Neverwinter. Explore and defend one of the most beloved cities from the Dungeons & Dragons Forgotten Realms Campaign Setting as it rises from the ashes of destruction. This immersive online RPG will take you from the besieged walls of the city to [subterranean](#) passageways in search of forgotten secrets and lost treasure. [PLAY NOW](#)
