SmashMuck Champions is an free to play, online arena combat game that combines action, skill and strategy.

Players build and manage their own SmashMuck teams, customizing and training their fighters and then sending them into battle. Each match features up to ten players in one of four unique Game Types. Combat is fast-paced and easy to learn, with tons of unique skills, weapons and attacks for players to master.

With intense combat and larger-than-life personalities, SmashMuck is the biggest thing to ever hit Planet Muck! Battles are breaking out all over the globe, from the frosty peaks of the Bandaku Mountains to the fiery depths of RumbleMuck Caverns. Each arena hosts a different competition, adding to the challenge with unique obstacles and terrain. Pay attention to your surroundings and improve your game by using the environment to your advantage. [PLAY NOW](#)
